Maybe even better than free.

Just upload the file you want to share with your friends and we send you a download link to your file. You decide who you want to share your files with. You can give this download link to your friends by mail or instant messenger. File is free to use with no gotchas and no hidden fees. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Wehave no file size limit. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Alternatively you can choose to share yourdownload links on blogs, forums and social networking sites. Any file in any format can be uploaded and downloaded for free. When you use file, you avoidstoring the file you're sending in your cloud storage or mail server. Using file, you can circumvent those limits without paying to upgrade your team chatservice. There are no restrictions on the number of times a file can be downloaded. Simply upload your file and share the link. filehosting provides an easypossibility for you to send large files to your friends. Keep your files private, or send your download links only to friends or family. So try our free and simplefilehosting service now. No account or credit card is required to get started. The cost of that data transfer is covered by your internet service or the data plan onyour phone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Your wallet willbe none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, thenfrom our servers to your friends device. You can upload any type of file (movies, music, documents, images, zip files and more). If only we could, we surelywould! On the other hand, using file can actually save you money. Unfortunately, we can't make that part free. It is also allowed to link to the download pagefrom websites and communities. You don't need any special software installed to be able to download your files. Our service is completely free for everyone.Files can be downloaded from any computer from our high speed servers.
