Maybe even better than free.

Alternatively you can choose to share your download links on blogs, forums and social networking sites. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. So try our free and simple filehosting service now. Files can be downloaded from any computer from our high speed servers. Any file in any format can be uploaded and downloaded for free. Simply upload your file and share the link. You decide who you want to share your files with. No account or credit card is required to get started. Our service is completely free for everyone. Keep your files private, or send your download links only to friends or family. You can give this download link to your friends by mail or instant messenger. It is also allowed to link to the download page from websites and communities. We have no file size limit. If only we could, we surely would! Onthe other hand, using file can actually save you money. filehosting provides an easy possibility for you to send large files to your friends. Your wallet will benone-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then fromour servers to your friends device. File is free to use with no gotchas and no hidden fees. The cost of that data transfer is covered by your internet service or thedata plan on your phone. You don't need any special software installed to be able to download your files. When you use file, you avoid storing the file you'resending in your cloud storage or mail server. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. There are no restrictionson the number of times a file can be downloaded. You can upload any type of file (movies, music, documents, images, zip files and more). Unfortunately, wecan't make that part free. Just upload the file you want to share with your friends and we send you a download link to your file. Using file, you can circumventthose limits without paying to upgrade your team chat service.
