Maybe even better than free.

Keep your files private, or send your download links only to friends or family. You don't need any special software installed to be able to download your files. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone andour servers, then from our servers to your friends device. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Youcan upload any type of file (movies, music, documents, images, zip files and more). Any file in any format can be uploaded and downloaded for free. It is also allowed to link to the download page from websites and communities. So try our free and simple filehosting service now. No account or credit card is required to get started. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. If only we could, we surely would! On the other hand, using file can actually save you money. Files can be downloaded from any computer from our high speed servers. Alternatively you can choose to share your download links on blogs, forums and social networking sites. filehosting provides an easy possibility for you to send large files to your friends. Why paystorage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferredwithin their apps. Just upload the file you want to share with your friends and we send you a download link to your file. Files transferred the old-fashioned waytend to pile up and be forgotten about, eventually costing you money in data storage fees. File is free to use with no gotchas and no hidden fees. There are norestrictions on the number of times a file can be downloaded. You decide who you want to share your files with. Unfortunately, we can't make that part free.We have no file size limit. Using file, you can circumvent those limits without paying to upgrade your team chat service. The cost of that data transfer iscovered by your internet service or the data plan on your phone. You can give this download link to your friends by mail or instant messenger. Simply uploadyour file and share the link. Our service is completely free for everyone.
