Maybe even better than free.

You don't need any special software installed to be able to download your files. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. File is free to use with no gotchas and no hidden fees. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. So try our free and simple filehosting servicenow. If only we could, we surely would! On the other hand, using file can actually save you money. Your wallet will be none-the-lighter! Just so we're all100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device.Simply upload your file and share the link. It is also allowed to link to the download page from websites and communities. filehosting provides an easypossibility for you to send large files to your friends. The cost of that data transfer is covered by your internet service or the data plan on your phone. We haveno file size limit. Using file, you can circumvent those limits without paying to upgrade your team chat service. No account or credit card is required to getstarted. Keep your files private, or send your download links only to friends or family. Unfortunately, we can't make that part free. Any file in any format canbe uploaded and downloaded for free. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. You decide who you want toshare your files with. You can upload any type of file (movies, music, documents, images, zip files and more). Files can be downloaded from any computerfrom our high speed servers. Alternatively you can choose to share your download links on blogs, forums and social networking sites. You can give thisdownload link to your friends by mail or instant messenger. Just upload the file you want to share with your friends and we send you a download link to yourfile. Our service is completely free for everyone. There are no restrictions on the number of times a file can be downloaded. Files transferred the old-fashionedway tend to pile up and be forgotten about, eventually costing you money in data storage fees.
